Global Generative & Agentic AI Summit GENAIX 2027

Powering the Intelligent Future

Two days in Singapore with the enterprise leaders, policymakers, researchers and founders shaping generative and agentic AI — from boardroom strategy to real-world deployment.

DATES

15–16 April 2027

LOCATION

Singapore – Global Host City

DELEGATION

Leaders from 40+ Countries

THE AGENDA FOR WHAT'S NEXT

14 FRONTIERS SHAPING THE INTELLIGENT FUTURE

GENERATIVE AI

From prompts to possibilities.

Foundation models, LLMs, multimodal AI, model competition.

AGENTIC AI

Intelligence that takes initiative.

Autonomous agents, multi-agent systems, orchestration.

ENTERPRISE AI

From experiment to enterprise.

AI-native businesses, enterprise transformation, production deployment.

AI GOVERNANCE

Rules for the intelligent era.

EU AI Act, US policy, Singapore framework, China's approach.

AI SAFETY & TRUST

Building confidence into every system.
Accountability, liability, human oversight, responsible AI.

AI INFRASTRUCTURE

The backbone of scale.

Compute, data centres, cloud, sustainable energy.

SOVEREIGN AI

Powering intelligence with independence.
Data residency, national AI capabilities, digital sovereignty.

AI INTEROPERABILITY

When systems speak, progress accelerates.
Open standards, agent-to-agent communication, collaboration.

PHYSICAL AI & ROBOTICS

Intelligence enters the real world.

Autonomous mobility, robotics, vision-language-action models.

AUTOMOTIVE AI

The vehicle becomes intelligent.

Software-defined vehicles, in-car GenAI, functional safety.

FINANCIAL AI

Reimagining trust, speed and scale.

Banking, payments, fraud prevention, AML, autonomous workflows.

SEMICONDUCTOR AI

Smarter silicon, everywhere.

On-device AI, AI PCs, smartphones, smart cameras.

AI INVESTMENT

Backing the next intelligence economy.
Capital, talent, chips, strategic partnerships.

HUMAN-AI COLLABORATION

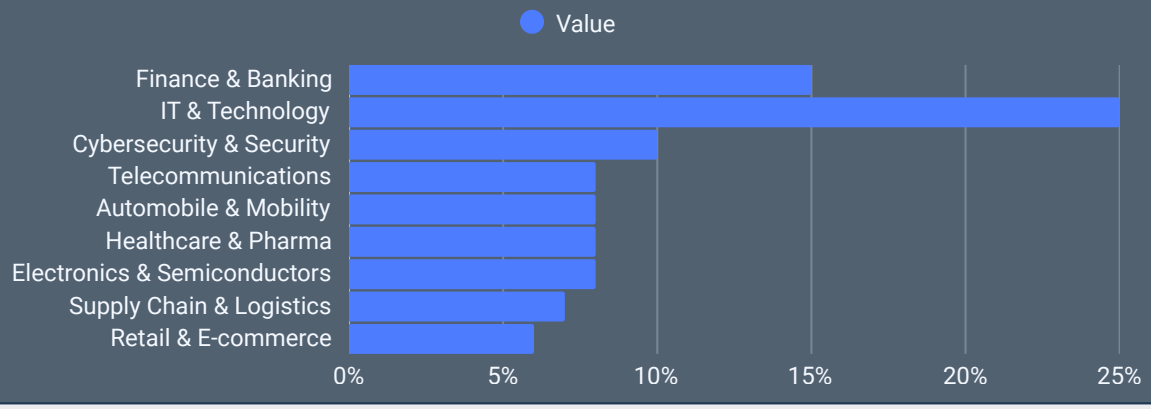

Better together, by design.

Augmented intelligence, human-AI teams, workforce transformation.

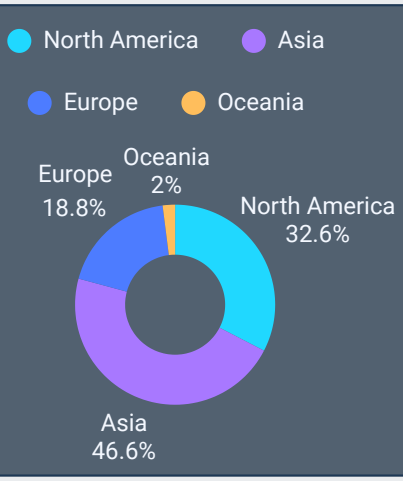

Key topics drawn directly from the GENAIX 2027 agenda sessions.
